

Alan Kohler sums it all up

Posted by [Phil Hart](#) on May 1, 2008 - 8:02pm in [The Oil Drum: Australia/New Zealand](#)

Topic: [Economics/Finance](#)

Alan Kohler presented the key oil Discovery/Production graph on the ABC news. He also covers the [BG bid for Origin Energy](#) and US house price declines: Peak Oil and its impacts in thirty seconds, but he didn't call it that.
