On Saturday 26 July, the Sustainable Energy Forum and Engineers for Social Responsibility are holding a joint one-day conference at Unitec in Auckland, New Zealand on the theme "Responding to Oil Depletion and Climate Change".

The programme is below. The registration form is available online at [http://www.sef.org.nz/conferences/2008\\_Registration.doc](http://www.sef.org.nz/conferences/2008_Registration.doc)

---

Full day prices (in NZ \$) for the conference are: waged \$100, retired \$70, student/unwaged \$45

It has now also been decided to have a half day registration for the afternoon at half price, for those who cannot come for the whole day. It is intended that this be open to a wider public audience under the heading "New Zealand Responses to Oil Depletion and Climate Change" as follows:

2.00-2.45pm Tim Jones "National Responses Linking Energy, Transport and Emissions"

2.45-3.30pm Cameron Pitches "Auckland Sustainable Transport"

3.45-4.30pm James Samuel "Transition Towns"

4.30-5.00pm General Discussion

5.00-5.30pm Summing Up and Conclusion - Tim Jones

Full programme :
