The Australian Senate is running an 'Inquiry into the investment of Commonwealth and State funds in public passenger transport infrastructure and services'. They have just started publishing written submissions received on [the Senate website](#).

There are several [submissions in the list](#) with peak oil as a dominant theme; these are just a few:

- [Kilsby Australia #6](#)
- [Peter Newman #8](#)
- [Australian Conservation Foundation #27](#)
- [David Bell in ASPO Sydney #60](#)
- [An 18MB epic from Matt Mushalik #48](#)
